

MASSHIRE

Phlebotomy Technician

Training Program

**Bristol Community College Taunton Campus
Starts Summer 2025**

Students completing this Phlebotomy Technician Certificate Program will be prepared to perform routine and special blood collection procedures as well as process specimens prior to testing in a modern clinical laboratory.

BRISTOL
COMMUNITY COLLEGE

ABOUT THE COURSE

This hybrid program is at the Taunton campus. The course is 12-weeks followed by a full-time, 3-week, 100-hour clinical practicum at an affiliate location is required. Students will also earn 7 college credits. Program starts June 2, 2025. This program is no-cost to eligible applicants.

WHO IS ELIGIBLE?

MassHire grants are for income-eligible or unemployed individuals who are seeking employment. Grants will only be awarded to those who agree to find training related employment upon course completion and obtainment of industry certification. MassHire also provides job placement assistance to program participants.

This project is funded by the Healthcare/Behavioral Health Hub Continuation Grant (Workforce Competitiveness Trust Fund FY'21 Appropriation) and funds appropriated through the federal American Rescue Plan Act (ARPA) of 2021. This grant initiative is administered by Commonwealth Corporation on behalf of the Executive Office of Labor and Workforce Development and the Workforce Skills Cabinet.

Professional healthcare workers are in demand. These positions offer great opportunities for individuals who want to start a career in the medical field!
