* This is a compilation of state and federal child labor laws. The most protective laws are presented here and apply to all employers of teens in Massachusetts including family members who employ their teenaged relatives. There are additional regulations and some exemptions such as in agricultural industries and for student learners participating in cooperative education programs.

This poster was prepared by the Massachusetts Department of Public Health's Teens at Work: Injury Surveillance and Prevention Project and the Massachusetts Office of the Attorney General with funding from the National Institute for Occupational Safety and Health.
