

Greater New Bedford Vocational Technical Institute

1121 Ashley Blvd. New Bedford, MA 02745

Automotive Technician

STARTS 7/8/24

ENDS 8/15/24

What is a Automotive Technician?

Automotive Technicians, commonly known as an Auto Mechanic, is a skilled professional responsible for inspecting, maintaining, and repairing vehicles. Their work ensures that cars, trucks, and other motor vehicles operate safely and efficiently. They work in various settings, including dealerships, independent repair shops, and service centers.

Orientation: Monday, July 8, 2024

Classes meet Mondays through Thursday

July 8, 2024 to August 15, 2024

8:00 AM to 5:00 PM

Program Highlights

This interactive course aims to provide students with fundamental knowledge of automotive maintenance and repair. Participants will engage in hands-on learning experiences, where they will learn how to:

- Check and change vehicle fluids, such as engine oil
- Replace, rotate, and balance tires
- Perform wheel alignment procedures
- Conduct basic steering and suspension repairs
- Maintain brake systems
- Retrieve engine diagnostic codes
- Repair exhaust systems
- Learn about general car safety

Requirements

- Ages 18+
- Unemployed or underemployed
- Basic math, reading and writing skills
- Basic computer skills (typing, logging in, app opening)
- Be present every day and on time
- Serious, committed, and ready for work
