BRISTOL
COMMUNITY COLLEGE

Did you know?

Many professionals in the medical field start out as Nurse Assistants and move up into jobs in:

- Radiology / Imaging
- Respiratory Therapy
- Pharmacy Technology
- Phlebotomy / Laboratory
- Billing / Administration
- Nursing (LPN & RN)
- *And beyond!*

You can do it too!

**Call Sally Pais at
(508) 730-5000 or email

for more info.**

This 114 Hour in person course gives you the opportunity to prepare yourself for employment opportunities in Nursing homes, home care and hospitals. This course teaches nursing assistant skills through in person classroom lecture, skills practice in our fully equipped state approved CNA Lab, and 24 hour clinical placement in a long-term care facility. With successful course completion you will be eligible to take the State NAT Competency Exam to become a CNA, you will receive a Nurse Assistant Training Certificate, Home Health Aide Certificate, Dementia Training Certificate and BLS for Healthcare Provider CPR Certification.

This project is funded by a Senator Kenneth J. Donnelly Workforce Success Grant (Workforce Competitiveness Trust Fund FY'20 Appropriation) through the Massachusetts Executive Office of Labor and Workforce Development and is administered by the Commonwealth Corporation.
