BRIAN VIEIRA, Adjustment Counselor x1222
ALISON ROBIDOUX, Adjustment Counselor x1167

Dear Potential Career Day Presenter,

The Apponequet School Counseling Department will be hosting our annual Career Day on **Friday, April 5, 2024 from 12:00-2:13 pm (this includes time for a provided lunch)**. It is our hope that you will consider being a presenter.

Our Career Day Presenters, who commit approximately two hours of their time, provide students in grades 9-11 with information about professions specific to their identified career interests. We will arrange for another presenter in a similar field to be paired with you, providing a dynamic and diverse experience for our students. You and your partner will be presenting to two different groups of students. Each presentation will last for about 35 minutes and will include a discussion on the following topics: academic preparation for employment in your field, pathways to successful employment, employment requisites, your personal career narrative, and other careers associated with your profession.

If you are interested in volunteering as a Career Day Presenter, please complete this [Career Day Presenter Form](#). If you have any problems with the form, please email me at jcronin@freelake.org. Interested presenters will receive a confirmation email with more specific details about the event.

For planning purposes, I ask that you please RSVP no later than **Friday, March 1, 2024**.

In conclusion, we welcome and encourage you to extend this invitation to other professionals who may be interested in presenting. Thank you in advance for your support and interest in helping our students make informed career decisions.

Sincerely,

Jen Cronin
Guidance Counselor
