MASSHIRE GREATER NEW BEDFORD WORKFORCE BOARD

Upskill your staff with a Registered Apprenticeship Program!

Registered Apprenticeships in New & Emerging Industries

There has been a steady increase in growth in the Clean Energy/Solar, Maritime and Advanced Manufacturing industries here in the Greater New Bedford area. Many new workers are projected to be hired to fill these positions.

CNC Operators and Quality Control Inspectors are just some of the many apprenticeships that are in demand in the nontraditional sectors.

Registered Apprenticeship is an important tool that businesses can utilize to recruit, hire and retain employees.

MassHire Greater New Bedford Workforce Board can help you:

- Upskill your staff with on-the-job training;
- Secure additional funds for training and certifications*;
- Obtain State based RA tax incentives;
- Assist with applications and documentation

*Subject to availability.
