Dear Potential E-Fair Participant,

The Apponequet School Counseling Department will be hosting an E-Fair (Employ, Enroll, Enlist) for students in grades 10-12 who are interested in gaining information about academic and career program offerings specific to your school/branch.

We will be offering this E-Fair to students in grades 10-12 on **Friday, February 3, 2022.**

The E-Fair offers the opportunity for students to gain information from professionals working in specific fields. Students will be invited to attend based on their identified interests in one or more of the programs, careers, and/or military branches.

This Fair will require approximately 2 and a half hours from 8:30 a.m. to 11:00 a.m. on Friday, February 3, 2022. During this time you will have an opportunity to meet with students in a format similar to a college fair. We will offer additional time for our seniors who have expressed specific interest in your programs, so that they will have an opportunity to speak with you on a more individualized basis. The itinerary of the morning is:

8:30-9:00 a.m. Representatives' Check-in & Table Setup Light refreshments and snacks will be provided
9:00-11:00 a.m. Student Participation Grades 10 - 12

If you are interested in volunteering for our E-Fair please complete this [Google Form](#). We will get back to you with more details about that event upon hearing from you. For planning purposes we ask that you please respond to us no later than **Friday, January 6, 2022.**

Thank you in advance for your support and interest in helping our students make informed career decisions.

Sincerely,

ARHS School Counseling Department
