Affirmative Action/Equal Opportunity Organization*

I. INTRODUCTION

The MassHire Greater New Bedford Workforce Board (hereinafter referred to as Workforce Board) is issuing this Request for Proposals (RFP) for qualified parties to provide programs for education, work experience and employment and/or training services to **Out-of-School Youth (OOSY)** (aged 16-24) under WIOA.

Proposals must offer services to one or more of the following municipalities, collectively known as the Greater New Bedford (GNB) region: New Bedford, Acushnet, Dartmouth, Fairhaven, Freetown, Lakeville, Marion, Mattapoisett, Rochester, and Wareham.

The period of performance is expected to commence 7/01/20 and terminate no later than 06/30/22. The commencement date will be negotiated with successful vendors.

Successful respondents will be expected to implement all aspects of the new Workforce Innovation and Opportunities Act (WIOA) regulations as outlined in WIOA final rules and published in the Federal Register:

<https://www.federalregister.gov/documents/2016/08/19/2016-15975/workforce-innovation-and-opportunity-act>

II. OVERVIEW OF INTENDED FUNDED PROGRAM PURPOSES

The Workforce Board is seeking non-profit (501c3) or licensed for-profit providers in or near the region. Programs must address both education and workforce development strategies, including: a) work experience that prepares youth for ongoing education and/or long-term careers; and b) entry into the workplace. Priority industry clusters are healthcare, manufacturing, retail/hospitality or maritime/marine. Other industries will be considered with documented evidence of need. Programs must address the needs of youth who may have multiple barriers and either provide the fourteen (14) youth elements of WIOA or refer participants to these services.

III. WORKFORCE INNOVATION and OPPORTUNITY ACT (WIOA) BACKGROUND

Youth services provided under WIOA are designed to help youth access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers needed to compete in the global economy. WIOA builds on proven practices such as sector strategies, career pathways, regional economic approaches, and work-based training.

WIOA outlines a broader youth vision that supports an integrated service delivery system and gives a framework through which states and local areas can leverage other Federal, State, Local, and philanthropic resources to support Out-of-School Youth. The goal is to provide high quality services for youth/young adults (aged 16-24) beginning with career exploration/guidance, continued support for educational attainment, opportunities for skills training in in-demand industries and occupations, resulting in a good job along a career pathway or enrollment in post-secondary education. For more information on WIOA, visit: <https://www.doleta.gov/wioa/>.

IV. FUNDING

Under this RFP, approximately \$225,000 is available for Out of School Youth programs; the Workforce Board anticipates awarding two to six contracts. During the decision-making process, the funding amount and number of contracts may change. Proposals that are budgeted for a minimum of \$20,000 and a maximum of \$125,000 should reflect expected per participant costs ranging from \$1,800 to \$3,500, respectively. The Workforce Board reserves the right to negotiate with successful respondents on the final program deliverables and funding.

V. FRAMEWORK SERVICES

The successful respondent is required to work cooperatively with the Framework Services Provider (FSP) to meet all the requirements of WIOA youth programming. The FSP is currently operated by **The WorkPlace**. A required training on Framework Services will be held after awards are made.

The FSP will:

- complete outreach and recruitment
- determine eligibility for each applicant
- provide an assessment, including the compilation of test results
- develop relevant service plan on each enrollee
- maintain case files on enrollees
- compile all pertinent data regarding participants, activities and follow-up for entry into a centralized database

The FSP will develop its Annual Performance Plan and reporting procedures in conjunction with the Workforce Board.

VI. WIOA ELEMENTS

The Workforce Innovation and Opportunity Act (WIOA Sec. 123) lists fourteen (14) program elements that must be made available to eligible youth. RFP responses are not required to provide all of those elements; however, all fourteen (14) elements **must be made available** if a youth is assessed and requires those services. The Workforce Board requires that WIOA Title I Out-of-School Vendor's provide at least seven (7) elements eight (8) elements if you are providing a Hi-SET component. Applicants are encouraged to provide the full array of services.
