508-990-4131 or email
plevesque@masshiregnbcc.com
for more info.**

Did you know?

**Many professionals in the
medical field start out
as Nurse Assistants and
move up into jobs in:**

- Radiology / Imaging
- Respiratory Therapy
- Pharmacy Technology
- Phlebotomy / Laboratory
- Billing / Administration
- Nursing (LPN & RN)
- *And beyond!*

You can do it too!

You will receive instruction in the classroom and lab, as well as hands-on experience in a local long-term care facility. This program prepares you for the Massachusetts CNA State Exam given in the classroom and CPR Certification through the American Heart Association (AHA). You will also participate in a program enhanced Cultural Competency Foundations workshop alongside working medical professionals. Employment placement assistance will be provided.

The training is licensed by the Division of Professional Licensure, Private Occupational School.

This project is funded by a Senator Kenneth J. Donnelly Workforce Success Grant (Workforce Competitiveness Trust Fund FY'20 Appropriation) through the Massachusetts Executive Office of Labor and Workforce Development and is administered by the Commonwealth Corporation.
