**Earn your Emergency
Medical Technician
Certificate at no cost!**

This is an in-depth course in basic life support intended for individuals who are income eligible or unemployed and interested in pursuing a career in medical services.

Students learn about acute illnesses, medical emergencies, traumatic emergencies, childbirth, rescue extrication, ambulance operations, splinting techniques, communication and documentation, medical-legal implications, AED/CPR, basic medications and their effects.

The course meets or exceeds current National EMS Guidelines and has Massachusetts OEMS approval. Students will earn 6 college credits upon program completion.

Starting in January for 15 weeks until May, 2023. Students can choose to attend either the Quincy or Plymouth campus of Quincy College.

Job placement assistance included.
