## ABOUT THE COURSE

Hybrid program with semesters alternate between New Bedford, Fall River, and Taunton. Program length and format depends upon location. A 100-hour clinical practicum at an affiliate location is required. Students will also earn 7 college credits. First program starting Fall 2024.

## WHO IS ELIGIBLE?

MassHire grants are for income-eligible or unemployed individuals who are seeking employment. Grants will only be awarded to those who agree to find training related employment upon course completion and obtainment of industry certification. MassHire also provides job placement assistance to program participants.

This project is funded by the Healthcare/Behavioral Health Hub Continuation Grant (Workforce Competitiveness Trust Fund FY'21 Appropriation) and funds appropriated through the federal American Rescue Plan Act (ARPA) of 2021. This grant initiative is administered by Commonwealth Corporation on behalf of the Executive Office of Labor and Workforce Development and the Workforce Skills Cabinet.

Professional healthcare workers are in demand. These positions offer great opportunities for individuals who want to start a career in the medical field!
