Of Elder Affairs

Home care professionals do make a difference!  
Let our free online course be the next step towards  
your exciting home care career...

# Join our Team!

Are you looking for a job that is personally rewarding and offers flexibility, on-going growth and professional development? If so, become a home care professional!

You can become a Home Care Aide through the online Personal and Home Care Aide State Training (PHCAST) for free—provided by the Commonwealth of Massachusetts. Program courses can be completed when you want, where you want!

**Training is available in four languages—English, Spanish, Haitian Creole, and Brazilian Portuguese.**

Scan me to learn more – or contact your local MassHire Career Center for assistance. **Training is absolutely FREE and accessible by smartphone, tablet, or laptop!**
