Raising funds to support Coastline's Community Benefits Programs

Dear Community Partner,

On May 19, 2022, Coastline Elderly Services is hosting a fundraising event to benefit our community benefit programs- programs that enable individuals to live independently in their own homes, to socialize and connect with others, and to remain healthy and active at any age.

Thousands of older adults and individuals with disabilities throughout our Southcoast community rely on assistance and care from Coastline Elderly Services. We are calling on community members like you to ensure that these programs remain in place for years to come. Coastline is a 501(c)3 nonprofit corporation so your donation is tax deductible.

You can support Coastline in any of the following ways:

- Donate an item or service for our silent auction
- Purchase tickets to the event for \$35
- Follow @CoastlineNB on Facebook and share our *Taste of Spring* event posts

We are fortunate to live along the Southcoast where businesses, organizations, and families work together to better the lives of others in our communities.

On behalf of Coastline, thank you for your participation in our event. If you have any questions, please do not hesitate to contact Christine Sullivan at 508-742-9132 or [csullivan@coastlinenb.org](mailto:csullivan@coastlinenb.org).

Sincerely,

Justin Lees,  
CEO, Coastline Elderly Services

Jeannine Wilson  
Chairperson, Development Committee
