

FREE WELDING & METAL FABRICATION COURSE

Class Size is Limited to 8

The Greater New Bedford Workforce Board and Old Colony Regional Vocational Technical High School have joined efforts to help decrease the shortage of qualified skilled tradespersons to meet the demands of the 21st century.

This free opportunity is funded by the Executive Office of Housing and Economic Development.

WELDING & METAL FABRICATION FREE TRAINING PROGRAM

Old Colony Regional Vocational Technical High School
476 North Avenue, Rochester, MA 02770

CLASSES START Monday, January 13, 2020. This is an adult education course offered afternoons Monday & Wednesday from 3:00 to 6:00 p.m. for a total of 14 weeks beginning in January 2020. Students completing the program will be prepared for entry level jobs and will earn OSHA 10 and Hot Work Certification upon completion.
